

Title VI of Water Resources Development Act

Land transfers and partnerships

Tribal Responsibilities

- Develop a Plan in addressing environmental, recreation, and cultural resources
- ~96,000 acres returned to CRST, ~20,000 returned to LBST
- Since the land is returned to Trust Status, all federal laws apply

Partnerships?

- Working with SD SHPO in addressing some cultural resources
 - This is a personal relationship with office staff working for the common good and the protection of the resource

Programmatic Agreement

- Developing a PA to address those actions that will have an effect on cultural resources on State lands. USACE is still responsible for the “big three” cultural resource laws: ARPA, NAGPRA, and NHPA
